

AVIATION SUPPLY MARINE OF THE YEAR

For professional achievement in the superior performance of his duties as the Supply Management Division Audit Branch Staff Noncommissioned Officer-in-Charge, MALS-12, MAG-12, 1st MAW, from 1 January to 31 December 2019. Gunnery Sergeant Dor dedicated over 100 hours to authoring the standard operating procedures (SOPs) for the Joint Strike Fighter Division. He also authored two appendices detailing inspection standards used to audit the Division. The SOPs and inspection appendices were both incorporated into an updated Aviation Supply Desktop Procedures Marine Corps Order and implemented throughout all of Marine aviation. Additionally, his dedication and unparalleled technical expertise enabled him to identify and correct 646 erroneous records, thereby enhancing inventory validity. Moreover, he streamlined the source of repair material awaiting shipping from over 100 days to just 14 days. Gunnery Sergeant Dor's exceptional professionalism and loyal devotion to duty reflected great credit upon himself and were in keeping with the highest traditions of the United States Marine Corps and the United States Naval Service.
